

II Shree Swami Samarth II

Shri AjitTelang Sir, our beloved Guruji has lived his entire life for the mission of spreading Love, Light and Reiki. He has given this path to all of us. To experience and Spread Love and Compassion. To move from darkness of ignorance towards the light of right Knowledge, and to Learn, Practice and Imbibe Reiki and Reiki Principles in our day to day life situations.

To pursue this mission, he established various Institutions viz. Reiki VidyaNiketan (RVN) for Reiki practices, Sri Swami Samarth Chaitanya Trust (SSSCT) for Swami Pooja and other religious, spiritual practices, Shri Swami Samarth SevakPratishthan (SSSSP) for Devrukh Math infrastructureand Devrukh Spiritual Prowess Pvt Ltd (DSPPL) for trainings, various courses and publications.

Ajit Sir appointed various Sadhaks as Trustees, Teachers and Directors on these institutions and such selected Sadhaks worked over past several years solely under the guidance of Ajit Sir. Due to this, though the working Institutions were different, the mission and its direction remained the same.

Therefore, after his sad demise last year, it was felt necessary to have a Central “Steering Committee (SC)” as collective representation to pursue Guruji’s various initiatives, to make decisions on policy matters, to co-ordinate and collaborate with the different entities so as to effectively pursue the mission of Love, Light and Reiki.

This SC is basically answerable and hence responsible to **3“S” – Swami, Seminars and Sadhaks**. This forms the basic foundation of our mission. Swami (and hence Devrukh Math) is like a soul, Seminars and Events (Reiki Seminars, Reiki Intensive, DSPPL Programs, Festivals, GurucharitraPathan, Offering Seva at Devrukh Math and other such events) are platforms or pathways to walk on this mission and all this is ultimately for the benefit of our Sadhaks (Present and Future). As such all policy decisions related to “3S”shall form part of the work profile of this SC. Actual implementation of such decisions shall continue to be done by the respective establishmentsviz RVN, SSSSP, SSSCT and DSPPL.

To form SC, detailed “Concept Paper”was prepared outlining the need and scope of SC. It was duly circulatedamongst Sr.Sadhaks and trustees, teachers and directors of all four Institutions. Based on it,detailed discussions includingJoint meetings were held, suggestions were obtained and then the final framework was approved which will be implemented over next 1 year.

Based on this, we are happy to announce that the following Sadhak have been nominated as members of the **First Steering Committee –**
